PENINSULAR & ORIENTAL STEAM NAVIGATION COMPANY. NOTICE OF REDUCTION OF PASS. AGU MONEY.

IN the year 1857 the Directors made a consider able reduction in the Company's rates t Passage Money, which continued in force till 1861. In that year, owing to the extraordinary rise in the Cost and Fraight of Coals, and the enhanced price of all descriptions of Navel Stores, the Directors were reluctantly compelled to return to the rates of Passage Money previously in force. They are now happy to state that a decrease in the price of Coal and other expenses of Steam Nu-vigation enables them to reduce the Company's Passage rates to the undernoted scale, which will take effect from and after the 1st June next, viz
